

# Million years ago – Adele

I only wanted to have fun  
Learning to fly, learning to run  
I let my heart decide the way  
When I was young  
Deep down I must have always known  
That this would be inevitable  
To earn my stripes I'd have to pay  
And bear my soul  
I know I'm not the only one  
Who regrets the things they've done  
Sometimes I just feel it's only me  
Who can't stand the reflection that they see  
I wish I could live a little more  
Look up to the sky, not just the floor  
I feel like my life is flashing by  
And all I can do is watch and cry  
I miss the air, I miss my friends  
I miss my mother, I miss it when  
Life was a party to be thrown  
But that was a million years ago  
When I walk around all of the streets  
Where I grew up and found my feet  
They can't look me in the eye  
It's like they're scared of me  
I try to think of things to say  
Like a joke or a memory  
But they don't recognize me now  
In the light of day  
I know I'm not the only one  
Who regrets the things they've done  
Sometimes I just feel it's only me  
Who never became who they thought they'd be  
I wish I could live a little more  
Look up to the sky, not just the floor  
I feel like my life is flashing by  
And all I can do is watch and cry

I miss the air, I miss my friends  
I miss my mother, I miss it when  
Life was a party to be thrown  
But that was a million years ago  
A million years ago
