

Set fire to the rain – Adele

I let it fall, my heart
And as it fell, you rose to claim it
It was dark, and I was over
Until you kissed my lips and you saved me

My hands, they were strong
But my knees were far too weak
To stand in your arms
Without fallin' to your feet

But there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

But I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cried
'Cause I heard it screamin' out your name, your name

When I lay with you
I could stay there, close my eyes
Feel you here forever
You and me together, nothing is better

'Cause there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

But I set fire to the rain
Watched it pour as I touched your face

Let it burn while I cried
'Cause I heard it screamin' out your name, your name

I set fire to the rain
And I threw us into the flames
When we fell, something died
'Cause I knew that that was the last time, the last time

Sometimes, I wake up by the door
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you

I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cried
'Cause I heard it screamin' out your name, your name

I set fire to the rain
And I threw us into the flames
When we fell, something died
'Cause I knew that that was the last time, the last time

Let it burn...
Let it burn...
