

# Skyfall – Adele

This is the end  
Hold your breath and count to ten  
Feel the Earth move and then  
Hear my heart burst again

For this is the end  
I've drowned and dreamt this moment  
So overdue I owe them  
Swept away I'm stolen

Let the sky fall  
When it crumbles  
We will stand tall  
And face it all together

Let the sky fall  
When it crumbles  
We will stand tall  
And face it all together  
At Skyfall

At Skyfall

Skyfall is where we start  
A thousand miles and poles apart  
Where worlds collide and days are dark  
You may have my number  
You can take my name  
But you'll never have my heart

Let the sky fall (Let the sky fall)  
When it crumbles (When it crumbles)  
We will stand tall (We will stand tall)  
And face it all together

Let the sky fall (Let the sky fall)

When it crumbles (When it crumbles)  
We will stand tall (We will stand tall)  
And face it all together  
At Skyfall

(Let the sky fall )  
(When it crumbles)  
(We will stand tall)

(Let the sky fall)  
(When it crumbles)  
(We will stand tall)

Where you go I go  
What you see I see  
I know I'd never be me  
Without the security  
Of your loving arms  
Keeping me from harm  
Put your hand in my hand  
And we'll stand

Let the sky fall (Let the sky fall)  
When it crumbles (When it crumbles)  
We will stand tall (We will stand tall)  
And face it all together

Let the sky fall (Let the sky fall)  
When it crumbles (When it crumbles)  
We will stand tall (We will stand tall)  
And face it all together  
At Skyfall

Let the sky fall  
We will stand tall  
At Skyfaaaallllll  
Uuuuuu
