## I Don't Want To Miss A Thing – Aerosmith

I could stay awake Just to hear you breathing Watch you smile while you are sleeping While you're far away dreaming I could spend my life In this sweet surrender I could stay lost in this moment forever Every moment spent with you Is a moment I treasure Don't want to close my eyes I don't want to fall asleep Cause I'd miss you baby And I don't want to miss a thing Cause even when I dream of you The sweetest dream will never do I'd still miss you baby And I don't want to miss a thing Lying close to you Feeling your heart beating And I'm wondering what You're dreaming Wondering if it's me you're seeing Then I kiss your eyes And thank God were together I just want to stay with you In this moment forever Forever and ever Don't want to close my eyes I don't want to fall asleep Cause I'd miss you baby And I don't want to miss a thing Cause even when I dream of you The sweetest dream will never do I'd still miss you baby And I don't want to miss a thing I don't want to miss one smile

I don't want to miss one kiss I just want to be with you Right here with you Iust like this I just want to hold you close Feel your heart so close to mine And just stay here in this moment For all the rest of time Yeah! Yeah! Yeah! Don't want to close my eyes I don't want to fall asleep Cause I'd miss you baby And I don't want to miss a thing Cause even when I dream of you The sweetest dream will never do I'd still miss you baby And I don't want to miss a thing Don't want to close my eyes I don't want to fall asleep Cause I'd miss you baby And I don't want to miss a thing Cause even when I dream of you The sweetest dream will never do I'd still miss you baby And I don't want to miss a thing Don't want to close my eyes I don't want to fall asleep I don't want to miss a thing
