Legends Never Die – Against The Current

Legends Never Die when the world is calling you Can you hear them screaming out your name? Legends Never Die they become a part of you Every time you bleed for reaching greatness Relentless you survive

They never lose hope when everything's cold and the Fighting's near It's deep in their bones they'll run Into smoke when the fire is fierce 'Oh pick yourself up, 'cause

Legends Never Die when the world is calling you Can you hear them screaming out your name? Legends Never Die they become a part of you Every time you bleed for reaching greatness Legends Never Die

They're written down in eternity But you'll never see the price it costs, the scars Collected all their lives

When everything's lost, they pick up their hearts and Avenge defeat Before it all starts, they suffer through harm just To touch a dream 'Oh pick yourself up, 'cause

Legends Never Die when the world is calling you Can you hear them screaming out your name? Legends Never Die they become a part of you Every time you bleed for reaching greatness Legends Never Die

When the world is calling out your name Begging you to fight Pick yourself up once more Pick yourself up, 'cause

Legends Never Die when the world is calling you Can you hear them screaming out your name? Legends Never Die they become a part of you Every time you bleed for reaching greatness Legends Never Die
