## Legends never die - Against The Current

Legends never die When the world is calling you Can you hear them screaming out your name? Legends never die They become a part of you Every time you bleed for reaching greatness Relentless you survive They never lose hope when everything's cold And the fighting's near It's deep in their bones, They'll run into smoke When the fire is fierce Oh, pick yourself up, 'cause Legends never die When the world is calling you Can you hear them screaming out your name? Legends never die They become a part of you Every time you bleed for reaching greatness Legends never die They're written down in eternity But you'll never see the price it costs The scars collected all of their lives When everything's lost, They pick up their hearts And avenge defeat Before it all starts, They suffer through harm Just to touch a dream Oh, pick yourself up, 'cause Legends never die When the world is calling you Can you hear them screaming out your name? Legends never die They become a part of you

Every time you bleed for reaching greatness

Legends never die
When the world is calling out your name
Begging you to fight
Pick yourself up once more
Pick yourself up, 'cause
Legends never die
When the world is calling you
Can you hear them screaming out your name?
Legends never die
They become a part of you
Every time you bleed for reaching greatness
Legends never die
