

# Riverside – Agnes Obel

Down by the river by the boats  
Where everybody goes to be alone  
Where you won't see any rising sun  
Down to the river we will run  
When by the water we drinks to the dregs  
Look at the stones on the riverbed  
I can tell from your eyes  
You've never been by the riverside  
Down by the water the riverbed  
Somebody calls you somebody says  
Swim with the current and float away  
Down by the river every day  
Oh my god  
I see how everything is torn  
in the river deep  
And I don't know why I go the way  
Down by the riverside  
When that old river runs past your eyes  
To wash off the dirt on the riverside  
Go to the water so every near  
The river will be your eyes and ears  
I walk to the borders on my own  
Fall in the water just like a stone  
Chilled to the marrow in them bones  
Why do I go here alone  
Oh my god  
I see  
How everything is torn  
In the river deep  
And I don't know why I go the way  
Down by the riverside  
Oh my god  
I see  
how everything is torn  
in the river deep  
And I don't know why I go the way

Down by the riverside

Oh oh

Ah ah ah

Oh oh

Ah ah ah

Oh oh

Ah ah ah

Down by the riverside
