

# I Can Wait Forever – Air Supply

When you say, I miss the things you do  
I just want to get back close again to you  
But for now, your voice is near enough  
How I miss you and I miss your love  
And though, all the days that  
Pass me by so slow  
All the emptiness inside me flows  
All around and there's no way out  
I'm just thinking so much of you,  
There was never any doubt  
I can wait forever  
If you say you'll be there too  
I can wait forever if you will  
I know it's worth it all, to spend my  
Life alone with you  
When it looked as though my life was wrong  
You took my love and gave  
It somewhere to belong  
I'll be here, when hope is out of sight  
I just wish that I was next to you tonight  
And though, I'll be reaching  
For you even though  
You'll be somewhere else, my love will go  
Like a bird on it's way back home  
I could never let you go, and  
I just want you to know  
I can wait forever  
If you say you'll be there too  
I can wait forever if you will  
I know it's worth it all,  
To spend my life alone with you  
I can wait forever  
If you say you'll be there too  
I can wait forever if you will  
I know it's worth it all,  
To spend my life alone

I can wait forever  
If you say you'll be there too  
I can wait forever if you will  
I can wait forever more, I can wait forever
