

# Kylie – Akcent

Kylie give me  
Kylie give me  
Baby, you're the one that melts my heart,  
I swear I'm not lying  
Maybe tonight I'm gonna try my luck  
I can see that you want me  
I'm dreaming about you every night  
Every night  
Kylie, give me just a chance,  
Let's go out and dance  
We can get into the groove,  
I can watch you move  
Later you can sing to me,  
Like a shining star  
But I'd rather  
Do you on the backseat of my car  
Kylie, give me just a chance,  
Let's go out and dance  
We can get into the groove,  
I can watch you move  
Later you can sing to me,  
Like a shining star  
But I'd rather  
Do you on the backseat of my car  
Baby, take a minute, check me out,  
I sit in the front row  
Baby, I'm the coolest guy in the crowd,  
I'm sure you have seen me  
I'm dreaming about you every night  
Every night  
Kylie, give me just a chance,  
Let's go out and dance  
We can get into the groove,  
I can watch you move  
Later you can sing to me,  
Like a shining star

But I'd rather  
Do you on the backseat of my car  
Kylie, give me just a chance,  
Let's go out and dance  
We can get into the groove,  
I can watch you move  
Later you can sing to me,  
Like a shining star  
But I'd rather  
Do you on the backseat of my car  
You drive me crazy, you slowly drive me crazy  
Red blooded baby, can't get you off my mind  
I should be lucky, I should be so lucky  
I should be lucky, to sleep with you tonight  
Kylie  
Kylie  
Kylie  
Kylie, give me just a chance,  
Let's go out and dance  
We can get into the groove,  
I can watch you move  
Later you can sing to me,  
Like a shining star  
But I'd rather  
Do you on the backseat of my car  
Kylie, give me just a chance,  
Let's go out and dance  
We can get into the groove,  
I can watch you move  
Later you can sing to me,  
Like a shining star  
But I'd rather  
Do you on the backseat of my car  
Kylie give me
