

# Don't Let It Show – Alan Parsons Project

If it's getting harder to face every day,  
Don't let it show, don't let it show  
Though it's getting harder to take what they say,  
Just let it go, just let it go

And if it hurts when they mention my name,  
Say you don't know me  
And if it helps when they say I'm to blame,  
Say you don't owe me

Even if it's taking the easy way out,  
Keep it inside of you  
Don't give in  
Don't tell them anything  
Don't let it,  
Don't let it show

Even though you know it's the wrong thing to say,  
Say you don't care, say you don't care  
Even if you want to believe there's a way,  
I won't be there I won't be there

But if you smile when they mention my name,  
They'll never know you  
And if you laugh when they say I'm to blame,  
They'll never own you

Even if you feel you've got nothing to hide,  
Keep it inside of you  
Don't give in,  
Don't tell them anything  
Don't let it-  
Don't let it show
