

# Prime Time – Alan Parsons Project

Well even the longest night  
Won't last forever  
But too many hopes and dreams  
Won't see the light  
And all of the plans I make  
Won't come together

Something in the air  
(something in the air)  
Maybe for the only time in my life  
Something in the air  
(something in the air)  
Turning me around and guiding me right

(chorus)  
And it's a prime time  
Maybe the stars were right  
I had a premonition  
It's gonna be my turn tonight  
Gonna be my turn tonight

Well even the brightest star  
Won't shine forever  
But all of the hands I play  
Are working out right  
And every move I make  
Feels like a winner

Something in the air  
(something in the air)  
Maybe for the only time in my life  
Something in the air  
(something in the air)  
Turning me around and guiding me right

(chorus)

And it's a prime time  
Maybe the stars were right  
I had a premonition  
It's gonna be my turn tonight  
Gonna be my turn tonight  
Gonna be my turn tonight  
Gonna be my turn tonight

Something in the air  
(something in the air)  
And it's a prime time  
Maybe the stars were right  
I had a premonition  
It's gonna be my turn tonight  
Gonna be my turn tonight  
Gonna be my turn tonight  
Gonna be my turn tonight
