

# Standing On Higher Ground – Alan Parsons Project

I know the truth  
But I can't say  
And I have to turn my head  
And look the other way

I'm not afraid  
And I won't lie  
As long as I see no wrong  
I won't need to testify

I see the world  
And I'm looking from a high place  
Way above it all  
Standing on higher ground

I breathe the air  
While they're running in a rat  
Race  
Way above it all  
Standing on higher ground

I feel the blow  
But I don't speak  
And I have to close my eyes  
Pretending I'm asleep

Well I see the tears  
But I don't cry  
As long as I do no wrong  
I don't need an alibi

I see the world  
And I'm looking from a high place  
Way above it all  
Standing on higher ground

I breathe the air  
While they're running in a rat  
Race  
Way above it all  
Standing on higher ground

Way above it all  
Way above it all  
Whole new world  
Standing on higher ground

Way above it all  
Way above it all  
And I'm looking from a high place

I'm looking from a high place  
Standing on higher ground  
Standing on higher ground
