

Standing On Higher Ground – Alan Parsons Project

I know the truth
But I can't say
And I have to turn my head
And look the other way

I'm not afraid
And I won't lie
As long as I see no wrong
I won't need to testify

I see the world
And I'm looking from a high place
Way above it all
Standing on higher ground

I breathe the air
While they're running in a rat
Race
Way above it all
Standing on higher ground

I feel the blow
But I don't speak
And I have to close my eyes
Pretending I'm asleep

Well I see the tears
But I don't cry
As long as I do no wrong
I don't need an alibi

I see the world
And I'm looking from a high place
Way above it all
Standing on higher ground

I breathe the air
While they're running in a rat
Race
Way above it all
Standing on higher ground

Way above it all
Way above it all
Whole new world
Standing on higher ground

Way above it all
Way above it all
And I'm looking from a high place

I'm looking from a high place
Standing on higher ground
Standing on higher ground
