

# Hero – Alan Walker

Been here before  
It's in my muscle memory, I'm pretty sure  
I recognize you,  
There is something in your eyes  
Won't let you get away tonight  
You leave me in the dark  
I'm stumbling around like I'm a question mark  
Wondering if you're around  
To catch me if I fall  
If I come crashing to the wall  
Will you light me up  
Jump start my heart  
I need someone  
Before the sun goes down  
Who's gonna save me now  
Some kind of hero  
I can't breathe  
Hoping you're here  
To rescue me  
Before the sun goes down  
Who's gonna save me now  
Some kind of hero  
Been here before  
It's in my muscle memory, I'm pretty sure  
I've felt this energy,  
There's something in your touch  
Something reminding me of us  
Will you light me up  
Jump start my heart  
I need someone  
Before the sun goes down  
Who's gonna save me now  
Some kind of hero  
I can't breathe  
Hoping you're here  
To rescue me

Before the sun goes down  
Who's gonna save me now  
Some kind of hero  
Some kind of hero
