

The Spectre – Alan Walker

Hello, hello
Can you hear me
As I scream your name?
Hello, hello
Do you need me
Before I fade away?
Is this a place that I call home
To find what I've become?
Walk along the path unknown
We live, we love, we lie
Deep in the dark I don't need the light
There's a ghost inside me
It all belongs to the other side
We live, we love, we lie
Hello, hello
Nice to meet you
Voice inside my head
Hello, hello
I believe you
How can I forget
Is this a place that I call home
To find what I've become?
Walk along the path unknown
We live, we love, we lie
Deep in the dark I don't need the light
There's a ghost inside me
It all belongs to the other side
We live, we love, we lie
We live, we love, we lie
We live, we love, we lie
