

# The Spectre – Alan Walker

Hello, hello  
Can you hear me  
As I scream your name?  
Hello, hello  
Do you need me  
Before I fade away?  
Is this a place that I call home  
To find what I've become?  
Walk along the path unknown  
We live, we love, we lie  
Deep in the dark I don't need the light  
There's a ghost inside me  
It all belongs to the other side  
We live, we love, we lie  
Hello, hello  
Nice to meet you  
Voice inside my head  
Hello, hello  
I believe you  
How can I forget  
Is this a place that I call home  
To find what I've become?  
Walk along the path unknown  
We live, we love, we lie  
Deep in the dark I don't need the light  
There's a ghost inside me  
It all belongs to the other side  
We live, we love, we lie  
We live, we love, we lie  
We live, we love, we lie
