

Unity – Alan Walker

In the dark of night
The stars light up the sky
We see them flying free
That's just like you and me
Everyone is lonely sometimes
But I would walk a thousand miles
To see your eyes
You are not alone, we are family
Hold me, let's escape all this reality
You are my symphony
By your side, we are Unity
You are my energy
My guiding light, we are Unity
(We are We are) We are Unity
(We are We are) We are Unity
Although the rain might pour
A thunder starts to roar
The lightning wakes the wave
But through it, we are brave
Everyone is lonely sometimes
But I would walk a thousand miles
To see your eyes
You are not alone, we are family
Hold me, let's escape all this reality
You are my symphony
By your side, we are Unity
You are my energy
My guiding light, we are Unity
(We are We are) We are Unity
(We are We are) We are Unity
(My Unity)
(My Unity)
(My Unity)
(My Unity)
We are Unity
You are my symphony

By your side, we are Unity
You are my energy
My guiding light, we are Unity
We are Unity
We are Unity
