Black Velvet - Alannah Myles

Mississippi in the middle of a dry spell Jimmy Rogers on the Victrola up high Mama's dancin' with baby on her shoulder The sun is settin' like molasses in the sky

The boy could sing, knew how to move Everything Always wanting more He'd leave you longing for

Black velvet and that little boy's smile Black velvet with that slow southern style A new religion that'll bring ya to your knees Black velvet if you please

Up in Memphis the music's like a heatwave
White lightning
Bound to drive you wild
Mama's baby's in the heart of every schoolgirl
Love Me Tender – leaves 'em cryin' in the aisle

The way he moved, It was a sin So sweet and true Always wanting more He'd leave you longing for

Black velvet and that little boy's smile Black velvet with that slow southern style A new religion that'll bring ya to your knees Black velvet if you please

Every word of every song That he sang was for you In a flash, he was gone It happened so soon What could you do? Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring ya to your knees
Black velvet if you please
Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring ya to your knees

Black velvet
If you please
If you please
If you please
If you please
