Let me down slowly - Alec Benjamin

This night is cold in the kingdom
I can feel you fade away
From the kitchen to the bathroom sink and
Your steps keep me awake

Don't cut me down, throw me out, leave me here to waste I once was a man with dignity and grace
Now I'm slipping through the cracks of your cold embrace
So please, please

Could you find a way to let me down slowly?
A little sympathy, I hope you can show me
If you wanna go, then I'll be so lonely
If you're leaving, baby let me down slowly
Let me down, down
Let me down, down
Let me down, let me down
Down, let me down, down
Let me down
If you wanna go, then I'll be so lonely
If you're leaving, baby let me down slowly

Cold skin, drag my feet on the tile As I'm walking down the corridor And I know we haven't talked in a while So I'm looking for an open door

Don't cut me down, throw me out, leave me here to waste I once was a man with dignity and grace
Now I'm slipping through the cracks of your cold embrace
So please, please

Could you find a way to let me down slowly? A little sympathy, I hope you can show me If you wanna go, then I'll be so lonely If you're leaving, baby let me down slowly Let me down, down
Let me down, let me down
Down, let me down
Down, let me down
Let me down
If you wanna go, then I'll be so lonely
If you're leaving, baby let me down slowly

And I can't stop myself from falling down And I can't stop myself from falling down And I can't stop myself from falling down And I can't stop myself from falling down

Could you find a way to let me down slowly?
A little sympathy, I hope you can show me
If you wanna go, then I'll be so lonely
If you're leaving, baby let me down slowly
Let me down, down
Let me down, let me down
Down, let me down, down
Let me down
If you wanna go, then I'll be so lonely
If you're leaving, baby let me down slowly
If you wanna go, then I'll be so lonely
If you're leaving, baby let me down slowly
