

# Pretty Devil – Alessandra Mele

Pretty, pretty, pretty, pretty  
Pretty, pretty, pretty, pretty devil (yeah)  
You pretty devil (oh)  
Pretty devil, you got it all  
Movin' elegant, like a criminal  
Captivated by how you walk  
Irresistible, I'm in devil's awe  
Don't be scared to step into the fire  
You've got the power  
Show off (I love it)  
The way you let your body do the talk  
(I love it)  
So, baby, I might never get enough  
(I love it)  
Oh my God, you're such a rebel  
You pretty devil  
Oh, baby, you're a  
Pretty, pretty, pretty, pretty  
Pretty, pretty, pretty, pretty devil (hey)  
You pretty devil  
Oh, baby, you're a  
Pretty, pretty, pretty, pretty  
Pretty, pretty, pretty, pretty devil (hey)  
You pretty devil (oh)  
Got me questioning my innocence  
When you're walkin' in, makes me wanna sin  
Oh, I love what you do to me (oh, yeah)  
My protagonist, angel's enemy (oh, yeah)  
Don't be scared to step into the fire  
You've got the power  
Show off (I love it)  
The way you let your body do the talk  
(I love it)  
So, baby, I might never get enough  
(I love it)  
Oh my God, you're such a rebel

You pretty devil  
Oh, baby, you're a  
Pretty, pretty, pretty, pretty  
Pretty, pretty, pretty, pretty devil (hey)  
You pretty devil  
Oh, baby, you're a  
Pretty, pretty, pretty, pretty  
Pretty, pretty, pretty, pretty devil (hey)  
You pretty devil (oh)  
So, baby, go be divine  
You're designed  
To be a pretty, pretty, pretty, pretty  
Oh, such a crime  
How you're lyin', shyin', hidin'  
You gotta show off (I love it)  
The way you let your body do the talk  
(I love it)  
So, baby, I might never get enough  
(I love it)  
Oh my God, you're such a rebel  
You pretty devil  
Oh, baby, you're a  
Pretty, pretty, pretty, pretty  
Pretty, pretty, pretty, pretty devil (hey)
