

Queen of Kings – Alessandra Mele

She, queen of the kings
Runnin' so fast, beatin' the wind
Nothin' in this world
Can stop the spread of her wings
She, queen of the kings
Broken her cage, threw out the keys
She will be the warrior
Of North and Southern seas
Got raven hair, it's dark as night
Icy eyes, outta sight, outta sight
Her heart, in spite, is warm and bright
Her smile awakes the northern lights
Lookin' out, she calls
Lai-da-dai-di-da
Who will conquer all?
Her name is
She, queen of the kings
Runnin' so fast, beatin' the wind
Nothin' in this world
Can stop the spread of her wings (hey!)
She, queen of the kings
Broken her cage, threw out the keys
She will be the warrior
Of North and Southern seas
A firestone, forged in flames
Wildest card, run the game, run the game
Can't say the same in this world of change
Don't fear the pain; just break the chain
Lookin' out, she calls
Lai-da-dai-di-da
Who will conquer all?
Her name is
She, queen of the kings
Runnin' so fast, beatin' the wind (hey!)
Nothin' in this world
Can stop the spread of her wings

She, queen of the kings
Broken her cage, threw out the keys (hey!)
She will be the warrior
Of North and Southern seas
Lai, la-li-la
Rai, rai-ri-rai-rai-ri
Lai-la-la-li-lai, lai-ri-ra
Lai-la-li-la, la-la-la-la
La-la-la-la
Ah-Ah-Ah-Ah!
Her name is
She, queen of the kings
Runnin' so fast, beatin' the wind (hey!)
Nothin' in this world
Can stop the spread of her wings
She, queen of the kings
Broken her cage, threw out the keys (hey!)
She will be the warrior
Of North and Southern seas
