

# Queen Of Kings – Alessandra

She, queen of the kings  
Running so fast, beating the wind  
Nothing in this world could stop the spread  
Of her wings  
She, queen of the kings  
Broken her cage, threw out the keys  
She will be the warrior  
Of the North and Southern seas  
Got raven hair  
It's dark as night  
Icy eyes, out of sight, out of sight  
Her heart in spite, is warm and bright  
Her smile awakes the Northern light  
Looking out, she calls  
Lai-lai-da-dai-dai-da  
Who will conquer all?  
Her name is  
She, queen of the kings  
Running so fast, beating the wind  
Nothing in this world could stop the spread  
Of her wings  
She, queen of the kings  
Broken her cage, threw out the keys  
She will be the warrior  
Of the North and Southern seas  
A firestone forged in flames  
The wildest card, run the game, run the game  
Can't say the same in this world of change  
Don't fear the pain, just break the chain  
Looking out, she calls  
Lai-lai-da-dai-dai-da  
Who will conquer all?  
Her name is  
She, queen of the kings  
Running so fast, beating the wind  
Nothing in this world could stop the spread

Of her wings  
She, queen of the kings  
Broken her cage, threw out the keys  
She will be the warrior  
Of the North and Southern seas  
Lai-la-da-dia  
Lai-la-da-dia-dia-dia  
Lai-la-da-dia  
Lai-li-li-la  
Lai-la-da-dia  
La-la-la-la  
La-la-la-la  
Her name is  
She, queen of the kings  
Running so fast, beating the wind  
Nothing in this world could stop the spread  
Of her wings  
She, queen of the kings  
Broken her cage, threw out the keys  
She will be the warrior  
Of the North and Southern seas  
Hey!
