Little Do You Know - Alex & Sierra

Little do you know How I'm breaking while you fall asleep Little do you know I'm still haunted by the memories Little do you know I'm trying to pick myself up, piece by piece Little do you know I Need a little more time Underneath it all I'm held captive by the hole inside I've been holding back For the fear that you might change your mind I'm ready to forgive you, But forgetting is a harder fight Little do you know I Need a little more time I'll wait, I'll wait I love you like you've never felt the pain, I'll wait, Promise you don't have to be afraid, I'll wait The love is here and here to stay, So lay your head on me Little do you know I know you're hurt while I'm sound asleep Little do you know All my mistakes are slowly drowning me Little do you know I'm trying to make it better piece by piece Little do you know I I love you till the sun dies I'll wait, just wait I love you like I've never felt the pain, **Just wait** I love you like I've never been afraid,

Just wait

So lay your head on me
I'll wait, I'll wait
I love you like you've never felt the pain,
I'll wait,
I promise you don't have to be afraid,
I'll wait
The love is here and here to stay,
So lay your head on me,
Lay your head on me,
So lay your head on me
'Cause little do you know I
I love you till the sun dies

Our love is here and here to stay,
