

# Under – Alex Hepburn

Don't bury me  
Don't lay me down  
Don't say it's over  
'Cause that would send me under  
Underneath the ground  
Don't say those words  
I wanna live but your words can murder  
Only you can send me under, under, under  
I die everytime you walk away  
Don't leave me alone with me  
See, I'm afraid  
Of the darkness and my demons  
And the voices, sayin'  
nothing's gonna be okay, Heeyyy  
I feel it in my heart, soul, mind  
that I'm losing  
You, me, you're abusing  
Every reason I have left to live  
Don't bury me  
Don't lay me down  
Don't say it's over  
'Cause that would send me under  
Underneath the ground  
Don't say those words  
I wanna live but your words can murder  
Only you can send me under, under, under  
Lost trust, 21 grams of soul  
All the sanity I've ever owned... gone  
But I'm still breathing  
Through the thunder, and the fire,  
And the madness  
Just to let you shoot me down again  
But I'm still breathing!  
I feel it in my veins, skin, bones  
That I'm losing  
You, me, you're confusing every reason

I have left to live  
Don't bury me  
Don't lay me down  
Don't say it's over  
'Cause that would send me under  
Underneath the ground  
Don't say those words  
I wanna live but your words can murder  
Only you can send me under, under, under  
They're chasing you but you don't look back  
Words I threw that I can't take back  
Reaching out but I can't hold on to you, no  
Chasing you but you don't look back  
Words I threw that I can't take back  
Reaching out but I can't hold on to you  
Don't bury me  
Don't lay me down  
Don't say it's over  
'Cause that would send me under  
Underneath the ground  
Don't say those words  
I wanna live but your words can murder  
Only you can send me under, under, under  
Ooooh only you can send me under, yeaaaah
