

Baby Be Mine – Alex Hoyer

When you come round I
Get all the feels like
Dynamite
It's so electric
Wires connected
Nerves are fried
Wanna stay
Forever this way
Baby your eyes, your eyes
It's more than I can take
Baby your smile, your smile
There's nothing left to say
But baby be mine
Baby be mine
Baby be mine all the time
Baby be mine
Baby be mine
Baby be mine all the time
(All the time)
It's some kind of magic
Got me romantic
And paralyzed
If I could just tell you
That I've fallen for you
You'd realize
That we should stay
Forever this way
Baby your eyes, your eyes
It's more than I can take
Baby your smile, your smile
There's nothing left to say
But baby be mine
Baby be mine
Baby be mine all the time
(All the time)
Baby be mine

Baby be mine
Baby be mine all the time
(All the time)
All the time (Baby be, ah-ah-ah)
Baby be mine (Baby be, ah-ah-ah)
Baby your eyes, your eyes
It's more than I can take
Baby your smile, your smile
There's nothing left to say
But baby be mine (But baby)
Baby be mine (Ooooh)
Baby be mine all the time (Baby be mine)
(All the time) Baby be mine
Baby be mine (Ooooh)
Baby be mine all the time
Oh baby
(Baby be, ah-ah-ah)
(Baby be, ah-ah-ah)
(Baby be)
