

Crushed – Alex Hoyer

Every single hour
Every single minute of every day
There's always that chance
She'll open up the door and walk my way
Ohhh
Knock me over
Make my adrenaline rush
Ohhh
Make my heart stop
Steal my breath until I blush, oh oh
I got to find her, got to find her
I got to find that kind of love
Lookin' for more than a love at first sight
You know I can't stop, I can't stop
Lookin' for the one that
I know is the right one
I can't stop, I can't stop
Ohhh, ohhh
The real thing can't be rushed
Ohhh, ohhh
I just wanna be crushed, crushed, crushed
Ohhh
Crushed, crushed, crushed
Ohhh
Got my room, all my friends
My music and my guitar
You think I got it all together
But I'm wondering where you are, oh oh
Something's missing
And I feel it wreckin' me, oh oh
I'm a giver
I wanna give my heart to somebody, oh oh
I got to find her, got to find her
I got to find that kind of love
Lookin' for more than a love at first sight
You know I can't stop, I can't stop

Lookin' for the one that
I know is the right one
I can't stop, I can't stop
Ohhh, ohhh
The real thing can't be rushed
Ohhh, ohhh
I just wanna be crushed, crushed, crushed
Ohhh
Crushed, crushed, crushed
Ohhh, ohhh
Yeahhh
I wanna find her, got to find her
I got to find her, got to find her
Lookin' for more than a love at first sight
You know, I can't stop, I can't stop
Lookin' for the one that
I know is the right one
I can't stop, I can't stop
Lookin' for more than a love at first sight
You know, I can't stop, I can't stop
Lookin' for the one that
I know is the right one
I can't stop, I can't stop
Ohhh, ohhh
The real thing can't be rushed
Ohhh, ohhh
I just wanna be crushed, crushed, crushed
Ohhh
Crushed, crushed, crushed
Ohhh
Lookin' for more than a love at first sight
You know, I
Yeahhh
I
Ohhh
I just wanna be crushed
