

# Carry You Home – Alex Warren

Oh, I hope you know  
I will carry you home  
Whether it's tonight  
Or fifty-five years down the road  
Oh, I know there's so many  
Ways that this could go  
Don't want you to wonder, darling  
I need you to know  
We were talking to the sunset  
Throwing dreams against the wall  
I know none of them have stuck yet  
But I bet it on you, honey,  
Oh, I would risk it all  
These days, these nights are changing  
Mama, my mind is set on you  
I'm not afraid to say it,  
To say it's true  
Oh, I hope you know  
I will carry you home  
Whether it's tonight  
Or fifty-five years down the road  
Oh, I know there's so many  
Ways that this could go  
Don't want you to wonder, darling,  
I need you to know  
In this and every life  
I choose us every time  
Oh, oh, oh, oh  
We were California Dreaming  
Our whole life fit in that car  
Didn't have a bed to sleep in  
We kept each other warm  
Under a ceiling full of stars  
These days, these nights are changing  
Mama, my mind is set on you  
I'm not afraid to say it,

To say I do  
Oh, I hope you know  
I will carry you home  
Whether it's tonight  
Or fifty-five years down the road  
Oh, I know there's so many  
Ways that this could go  
Don't want you to wonder, darling  
I need you to know  
In this and every life  
I choose us every time  
Oh, oh, oh, oh  
Oh, I hope you know  
I will carry you home  
Whether it's tonight  
Or fifty-five years down the road
