

# Take me tonight – Alexander Klaws

Ooh baby

When I look into your eyes feels good to me

And it feels like paradise like fantasy

Baby you're my angel, my guardian angel

Oh memories

I feel it in my heart I feel it in my soul

We'll never ever fall apart don't let me go

Baby you're my angel

And you know that time will show

Take me tonight

Anything is possible

Time's on my side

The world is beautiful

I'll take my chance

My dreams are coming true

Tell me you're mine

Oh babe don't make me blue

And I know for sure ooh

I will never let you go

Oh baby

If we can't be lovers let me be your friend

Take me in your lonely arms, don't let it end

Baby you're my angel, my guardian angel

I'll be there

If you ever miss me darling I'll take care

You're always in my heart oh baby I swear

Baby you're my angel

Oh if you need me I'll be there

Take me tonight

Anything is possible

Time's on my side

The world is beautiful

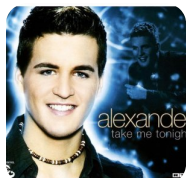

I'll take my chance

My dreams are coming true

Tell me you're mine

Oh babe don't make me blue

And I know for sure ooh  
I will never let you go  
Take me tonight  
Anything is possible  
Time's on my side  
The world is beautiful  
I'll take my chance  
My dreams are coming true  
Tell me you're mine  
Oh babe don't make me blue  
And I know for sure ooh  
I will never let you go
