## Take me tonight - Alexander Klaws

Ooh baby When I look into your eyes feels good to me And it feels like paradise like fantasy Baby you're my angel, my guardian angel Oh memories I feel it in my heart I feel it in my soul We'll never ever fall apart don't let me go Baby you're my angel And you know that time will show Take me tonight Anything is possible Time's on my side The world is beautiful I'll take my chance My dreams are coming true Tell me you're mine Oh babe don't make me blue And I know for sure ooh I will never let you go Oh baby If we can't be lovers let me be your friend Take me in your lonely arms, don't let it end Baby you're my angel, my guardian angel I'll be there If you ever miss me darling I'll take care You're always in my heart oh baby I swear Baby you're my angel Oh if you need me I'll be there Take me tonight Anything is possible Time's on my side The world is beautiful I'll take my chance My dreams are coming true Tell me you're mine

Oh babe don't make me blue

And I know for sure ooh
I will never let you go
Take me tonight
Anything is possible
Time's on my side
The world is beautiful
I'll take my chance
My dreams are coming true
Tell me you're mine
Oh babe don't make me blue
And I know for sure ooh
I will never let you go
