

Happiness – Alexis Jordan

Mmm mmm mmm mmm (4x)
I gotta turn this car around
I never should have left you there
Boy this traffic is making me sick
Boy I can't wait to have you near
I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas
Cause I don't wanna miss this
This opportunity will
Only come once in my life,
My life
I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas
Cause I don't wanna miss this
See what you're bringin' me boy is priceless
I gotta be out of my mind not to try this
Through strength I found love
In time I found myself
In happiness with you (2x)
Mmm mmm mmm mmm (4x)
Boy I need to say what's in my heart
I was scared but I'll do my part
I came back to tell you face to face
So what we have won't go to waste
I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas
Cause I don't wanna miss this
This opportunity will only
Come once in my life,
My life Yeah
Sorry sorry sorry I'm coming down to fix this
You should know how I feel
I know I got you twisted

See what you're bringing me boy is priceless
I gotta be outta my mind not to try this
Through strength I found love
In time I found myself
In happiness with you (2x)
The things that you can give to me
I can feel it when your holding me close
You're like one of the real wonders
I know I'm going under
Come see that I'm ready for this
And you're so good for me
You're my true joy
You make me wanna say
Mmm mmm mmm mmm (4x)
Through strength I found love
In time I found myself
In happiness with you (2x)
