

# No Excuses – Alice In Chains

It's alright, there comes a time  
Got no patience to search for peace of mind  
Layin' low, wanna take it slow  
No more hiding or disguising truths I've sold  
Every day it's something  
Hits me all so cold  
Find me sittin' by myself  
No excuses, then I know  
It's okay, had a bad day  
Hands are bruised from breaking rocks all day  
Drained and blue, I bleed for you  
You think it's funny, well you're drownin'  
In it too  
Every day it's something  
Hits me all so cold  
Find me sittin' by myself  
No excuses, then I know  
Yeah, it's fine, we'll walk down the line  
Leave our rain and cold, trade for warm  
Sunshine  
You, my friend, I will defend  
And if we change, well I love you anyway  
Every day it is something  
Hits me all so cold  
Find me sittin' by myself  
No excuses, then I know
