Your Decision - Alice In Chains

Time to change has come and gone Watched your fears become your God

It's your decision

Overwhelmed you chose to run Apathetic to the stunned

It's your decision

You feed the fire that burned us all When you lied To feel the pain that spurs you on Black inside

No one plans to take the path that brings you lower And here you stand before us all and say it's over It's over

It might seem an afterthought Yes it hurts to know you're bought

It's your decision

You feed the fire that burned us all When you lied To feel the pain that spurs you on Black inside

It's your decision

No one plans to take the path that brings you lower And here you stand before us all and say it's over It's over
