Empire state of mind - Alicia Keys

Grew up in a town, That is famous as a place of movie scenes Noise is always loud There are sirenes all around And the streets are mean If I could make it here I could make it anywhere That's what they say Seeing my face in lights Or my name in marquees found down on Broadway Even if it ain't all it seems I got a pocketful of dreams Baby, I'm from New York, concrete jungle Where dreams are made of There's nothing you can't do Now you're in New York These streets will make you feel brand new Big lights will inspire you Hear it for New York, New York, New York On the avenue, there ain't never a curfew Ladies work so hard Such a melting pot on the corner selling rock Preachers pray to God Hail a gypsy cab Takes me down from Harlem To the Brooklyn Bridge Someone sleeps tonight with a hunger For more than in an empty fridge I'm going to make it by any means I got a pocketful of dreams Baby, I'm from New York, concrete jungle Where dreams are made of There's nothing you can't do

Now you're in New York

These streets will make you feel brand new
Big lights will inspire you
Hear it for New York, New York, New York
One hand in the air for the big city
Street lights, big dreams, all looking pretty
No place in the world that can compared
Put your lighters in the air
Everybody say yeah, yeah yeaah
New York, concrete jungle
Where dreams are made of
There's nothing you can't do
Now you're in New York
These streets will make you feel brand new
Big lights will inspire you
Hear it for New York
