If I ain't got you – Alicia Keys

Some people live for the fortune Some people live just for the fame Some people live for the power, yeah Some people live just to play the game Some people think that the physical things define what's within And I've been there before but that life's a bore, so full of the superficial

Some people want it all But I don't want nothing at all If it ain't you baby If I ain't got you baby Some people want diamond rings Some just want everything But everything means nothing If I ain't got you, yeah

Some people search for a fountain The promise is forever young Some people need three dozen roses And that's the only way to prove you love them Hand me the world on a silver platter And what good would it be With no-one to share with, no-one who truly cares for me

Some people want it all But I don't want nothing at all If it ain't you baby If I ain't got you baby Some people want diamond rings Some just want everything But everything means nothing If I ain't got you, you, you

Some people want it all But I don't want nothing at all If it ain't you baby If I ain't got you baby Some people want diamond rings Some just want everything But everything means nothing If I ain't got you, yeah

If I ain't got you with me, baby, ohh... Say nothing in this whole wide world don't mean a thing If I ain't got you with me, baby
