If I ain't got you (funk cover) – Alicia Keys

Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game
Some people think that the physical things
Define what's within
And I've been there before
But that life's a bore
So full of the superficial
Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah
Some people search for a fountain
That promises forever young (Ya know)
Some people need three dozen roses
And that's the only way to prove
You love them
Hand me the world on a silver platter
And what good would it be?
With no one to share
With no one who truly cares for me
Some people want it all
But I don't want nothing at all
If it ain't you, baby
If I ain't got you, baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, you, you
Some people want it all
But I don't want nothing at all

If it ain't you, baby
If I ain't got you, baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah
