

# I swear – All 4 One

I swear by the moon and the stars in the sky  
And I swear like the shadow that's by your side  
I see the questions in your eyes  
I know what's weighing on your mind  
You can be sure I know my heart  
'Cause I'll stand beside you through the years  
You'll only cry those happy tears  
And though I make mistakes  
I'll never break your heart  
And I swear by the moon and the stars in the sky  
I'll be there  
I swear like a shadow that's by your side  
I'll be there  
For better or worse, till death do us part  
I'll love you with every beat of my heart  
And I swear  
I'll give you every thing I can  
I'll build your dreams with these two hands  
We'll hang some memories on the walls  
And when just the two of us are there  
You won't have to ask if I still care  
'Cause as the time turns the page,  
my love won't age at all  
And I swear by the moon and the stars in the sky  
(I'll be there)  
I swear (and I swear) like the shadow that's by your side  
I'll be there (I'll be there)  
For better or worse, till death do us part  
I'll love you with every beat of my heart  
And I swear  
I swear (I swear) by the moon and stars in the sky  
I'll be there  
I swear like the shadow that's by your side  
I'll be there  
For better or worse, till death do us part

I'll love you with every (single) beat of my heart  
I swear, I swear, oh, I, swear
