

Tell Him – Ally McBeal

I know something about love
YOu've gotta want it bad
If that guy's got into your blood

Go out and get him

If you want him to be
The very part of you
Make you want to breathe
Here's the thing to do

Tell him that you're never gonna leave him
Tell him that you're always gonna love him
Tell him, tell him, tell him, tell him right now

I know something about love

You gotta show it and
Make him see the moon up above

Reach out and get him
If you want him to be always by your side
If you want him to only think of you

Tell him that you're never gonna leave him
Tell him that you're always gonna love him
Tell him, tell him, tell him, tell him right now

Ever since the world began,
It's been that way for man
And women were created

To make love their destiny
Then why should true love be
So complicated, oh yeah

Oh,
I know something about love
You gotta take his hand
Show him what the world is made of
One kiss will prove it
If you want him to be always by your side
Take his hand tonight
Swallow your foolish pride

Tell him that you're never gonna leave him
Tell him that you're always gonna love him

Tell him, tell him, tell him, tell him right now

Tell him that you're never gonna leave him
Tell him that you're always gonna love him

Tell him that you're never gonna leave him
Tell him that you're always gonna love him

Tell him, tell him, tell him, tell him right now

Tell him, tell him, tell him, tell him right now
