

Forever Young (acoustic) – Alphaville

Let's dance in style, let's dance for a while
Heaven can wait,
We're only watching the skies
Hoping for the best but expecting the worst
Are you gonna drop the bomb or not?
Let us die young or let us live forever
We don't have the power
But we never say never
Sitting in a sandpit, life is a short trip
The music's for the sad men
Can you imagine when this race is won
Turn our golden faces into the sun
Praising our leaders, we're getting in tune
The music's played by the, the mad man
Forever young
I want to be forever young
Do you really want to live forever?
Forever, and ever
Forever young
I want to be forever young
Do you really want to live forever?
Forever young
Some are like water, some are like the heat
Some are a melody and some are the beat
Sooner or later, they all will be gone
Why don't they stay young?
It's so hard to get old without a cause
I don't want to perish like a fading horse
Youth's like diamonds in the sun
And diamonds are forever
So many adventures couldn't happen today
So many songs we forgot to play
So many dreams swinging out of the blue
We'll let 'em come true
Forever young
I want to be forever young

Do you really want to live forever?

Forever, and ever

Forever young

I want to be forever young

Do you really want to live forever?

Forever young
