

# Forever Young – Alphaville

Let's dance in style, let's dance for a while  
Heaven can wait  
We're only watching the skies  
Hoping for the best, but expecting the worst  
Are you gonna drop the bomb or not?

Let us die young or let us live forever  
We don't have the power  
But we never say never  
Sitting in a sandpit, life is a short trip  
The music's for the sad man

Can you imagine when this race is won?  
Turn our golden the faces into the sun  
Praising our leaders, we're getting in tune  
The music's played by the  
The madman

Forever young  
I want to be forever young  
Do you really want to live forever?  
Forever, and ever

Forever young  
I want to be forever young  
Do you really want to live forever?  
Forever young

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Youth's like diamonds in the sun

And diamonds are forever

So many adventures given up today  
So many songs we forgot to play  
So many dreams swinging out of the blue  
Oh let it come true

Forever young  
I want to be forever young  
Do you really want to live forever  
Forever, and ever?

Forever young  
I want to be forever young  
Do you really want to live forever  
Forever, and ever?

Forever young  
I want to be forever young  
Do you really want to live forever  
Forever young
