

# Oh Patti – Alphaville

Patti can't take it, she gotta give it back  
The world is a big place and she's frightened  
And if you kiss her, she gotta kiss you back  
She couldn't stand a kiss for free  
On her own  
And while she's playing with  
All she exchanged  
Yawning at the multitude  
Her world is a big place  
Full of toys and boys and teddy bears  
Where nothing is for free  
That's what her mother told her once  
And Patti has a big, big heart  
Bigger than her life  
She just forgot the most fantastic thing  
Within  
She's sitting in her glasshouse  
But she does not dare  
To throw the stones to make it all come true  
Of what she's dreaming of and so it seems  
To me  
Patti can't take it, she gotta give it back  
Her world is a big place and she's frightened  
But if you love her, maybe she'll accept  
Maybe she'll take your love for free  
On her own  
All alone
