

## Left Hand Free – alt-J

Ain't shady baby  
I'm hot like the prodigal son  
Pick a petal, eeny meeny miny mo  
And, flower, you're the chosen one

Well, your left hand's free  
And your right's in grip  
With another left hand  
Watch his right hand slip  
Towards his gun  
Oh, no

I tackle weeds  
Just so the moon buggers nibble  
My right hand's gripped on his  
Colt single-action army  
Oh, no

Well, your left hand's free  
And your right's in grip  
With another left hand  
Watch his right hand slip  
Towards his gun  
Oh, no

N-E-O OMG  
Gee whiz, girl, you're the one for me  
Though your man is bigger than I am  
All my days he disagrees  
Oh, no

Speak easy

Well, my left hand's free  
Well, my left hand's free  
Well, my left hand's free

Oh, no

Ain't shady baby

I'm hot like the prodigal son

Pick a petal, eeny meeny miny mo

And, flower, you're the chosen one

Well, your left hand's free

Well, my left hand's free

Well, my left hand's free

Well, my left hand's free

Well, my left hand's free

Oh, no
