Metalingus – Alter Bridge

I've been defeated and brought down Dropped to my knees when hope ran out The time has come to change my ways On this day I see clearly Everything has come to life A bitter place and a broken dream And we'll leave it all, leave it all behind I'll never long for what might have been Regret won't waste my life again I won't look back I'll fight to remain On this day I see clearly Everything has come to life A bitter place and a broken dream And we'll leave it all behind On this day its so real to me Everything has come to life Another chance to chase a dream Another chance to feel Chance to feel alive Fear will kill me, all I could be Lift these sorrows Let me breathe Could you set me free? Could you set me free? On this day I see clearly Everything has come to life A bitter place and a broken dream And we'll leave it all behind On this day it's so real to me Everything has come to life Another chance to chase a dream Another chance to feel Chance to feel alive
