

Enigma (Give a bit of mmh to me) – Amanda Lear

Give a bit of mmh to me,
and I'll give a bit of mmh to you.

Give a bit of mmh to me,
and I'll give a bit of mmh to you.

And your eyes like a laser,
every time cut me deeper.

Give a bit of mmh to me
(you're a mystery)
and I'll give a bit of mmh to you.

(it's so confusing)
Give a bit of mmh to me
(you're a mystery)
and I'll give a bit of mmh to you.
(or Am I dreaming)

Are you devil or angel?
Are you question or answer?

For you, I break all the rules
And for you, I'll go to the moon,
'Cause you're the one
There's no one else.

For me, you are an enigma,
For me, you are really a mystery...

A mystery
A mystery (a mystery)
A mystery (a mystery)

I just can't make you out
Are you real, or am I dreaming?
This is all very confusing
Specially when you start singing.

Give a bit of mmh to me,
and I'll give a bit of mmh to you.

Give a bit of mmh to me,
and I'll give a bit of mmh to you.

Are you devil or angel?
Are you question or answer?

For me, you are an enigma,
For me, you really are a mystery...
A mystery

For you, I break all the rules
And for you, I'll go to the moon,
'Cause you're the one
There's no one else.
There's no one else. (There's no one else)
There's no one else. (There's no one else)
