Amaranthine - Amaranthe

Time
Is the reason why we fight to stay alive
Until the morning comes
It's a strife
But the shimmer in your eyes just makes me know
That you and I belong

And you can light the dark all by your own So let us show the world our love is strong

Ref
Like a sign,
Like a dream,
You're my Amaranthine
You are all I needed, believe me
Like a drift, in a stream
Your beauty is so real,
There's nothing else in life I ever need
My dream Amaranthine

Time
Goes by as day and nights are turning into years
But I'm lying in your arms
It's the place
Where I know that I am closest to your heart
Where the dark is torn apart

I know you feel the same as I inside It feels like in a dream where we can fly

Ref
Like a sign,
Like a dream,
You're my Amaranthine
You are all I needed, believe me
Like a drift, in a stream

Your beauty is so real, There's nothing else in life I ever need My dream Amaranthine

It's a strife
But the shimmer in your eyes just makes me know
You're my amaranthine

Like a sign, like a dream, You're my Amaranthine You are all I needed, believe me

Ref
Like a sign,
Like a dream,
You're my Amaranthine
You are all I needed, believe me
Like a drift, in a stream
Your beauty is so real,
There's nothing else in life I ever need
My dream Amaranthine
