I Found – Amber Run

I'll use you as a warning sign That if you talk enough sense then you'll lose your mind I'll use you as a focal point So I don't lose sight of what I want I've moved further than I thought I could But I missed you more than I thought I would I'll use you as a warning sign That if you talk enough sense then you'll lose your mind I found love where it wasn't supposed to be Right in front of me Talk some sense to me I found love where it wasn't supposed to be Right in front of me Talk some sense to me I'll use you as a makeshift gauge Of how much to give and how much to take I'll use you as a warning sign That if you talk enough sense then you'll lose your mind I found love where it wasn't supposed to be Right in front of me Talk some sense to me I found love where it wasn't supposed to be Right in front of me Talk some sense to me I found love where it wasn't supposed to be Right in front of me Talk some sense to me I found love where it wasn't supposed to be Right in front of me Talk some sense to me
