I remember you – Amy Grant

I will be walking one day Down a street far away And see a face in the crowd and smile Knowing how you made me laugh Hearing sweet echoes of you from the past I will remember you Look in my eyes while you're near Tell me what's happening here See that I don't want to say good-bye Our love is frozen in time I'll be your champion and you will be mine I will remember I will remember you Later on When this fire is an ember Later on When the night's not so tender Given time Though it's hard to remember darlin' I will be holding I'll still be holding to you I will remember you So many years come and gone And yet the memory is strong One word we never could learn Goodbye True love is frozen in time I'll be your champion and you will be mine I will remember you So please remember I will remember you I will remember you I will remember you I will remember you
