

# Stronger than me – Amy Winehouse

You should be stronger than me  
You've been here seven years longer than me  
Don't you know you supposed to be the man?  
Not pale in comparison to who you think I am  
You always wanna talk it through - I don't care  
I always have to comfort you when I'm there  
But that's what I need you to do - stroke my hair  
Cause I've forgotten all of young love's joy  
Feel like a lady, and you're my lady-boy

You should be stronger than me  
But instead you're longer than frozen turkey  
Why'd you always put me in control  
All I need is for my man to live up to his role  
You always wanna talk it through - I'm okay  
I always have to comfort you, every day  
But that's what I need you to do, 'Are you gay?'  
Cause I've forgotten all of young love's joy  
Feel like a lady, and you're my lady-boy

He said, 'the respect I made you earn  
Thought you had so many lessons to learn'  
I said, 'You don't know what love is get a grip  
Sounds as if you're reading from some other tired script'  
I'm not gonna meet your mother anytime  
I just wanna grip your body over mine  
Please tell me why you think that's a crime  
I've forgotten all of young love's joy  
Feel like a lady, and you're my lady-boy  
You should be stronger than me  
You should be stronger than me  
You should be stronger than me  
You should be stronger than me
