

# Pieces of a Dream – Anastacia

I thought I saw you late last night  
But it was just a flash of light  
An angel passing  
But I remember yesterday  
Life before you went away  
And we were laughing  
We had hope and now it's broken  
And I could see it clearly once  
When you were here with me  
And now somehow all that's left are  
Pieces of a dream  
And now I'm lost in restless nights  
Just a whisper of the life  
That we created  
Shadows falling  
I am calling  
And I could see it clearly once  
When you were here with me  
And now somehow all that's left are  
Pieces of a  
The faded photographs  
The frames of broken glass  
The shattered memories  
Time will soon erase  
All these souvenirs  
Falls from a thousand tears  
But when I wake up you are never there  
We had hope and now it's broken  
And I could see it clearly once  
When you were here with me  
And now somehow all that's left are  
Pieces of a  
And I could see it clearly once  
When you were here with me  
And now somehow all that's left are
