

One Last Goodbye – Anathema

How I needed you
How I grieve
Now you're gone
In my dreams
I see you
I awake so alone
I know you didn't want to leave
Your heart yearned to stay
But the strength I always loved in you
Finally gave way
Somehow I knew
You would leave me this way
Somehow I knew
You could never, never stay
And in the early morning light
After a silent peaceful night
You took my heart away
And I grieve
In my dreams I can see you
I can tell you how I feel
In my dreams I can hold you
And it feels
So real
I still feel the pain (still feel the pain)
I still feel your love (still feel your love)
I still feel the pain (still feel the pain)
I still feel your love
And somehow I knew
You could never, never stay
And somehow I knew
You would leave me
And in the early morning light
After a silent peaceful night
You took my heart away
Oh I wish,
I wish you could have stayed
