One Last Goodbye - Anathema

How I needed you

How I grieve

Now you're gone

In my dreams

I see you

I awake so alone

I know you didn't want to leave

Your heart yearned to stay

But the strength I always loved in you

Finally gave way

Somehow I knew

You would leave me this way

Somehow I knew

You could never, never stay

And in the early morning light

After a silent peaceful night

You took my heart away

And I grieve

In my dreams I can see you

I can tell you how I feel

In my dreams I can hold you

And it feels

So real

I still feel the pain (still feel the pain)

I still feel your love (still feel your love)

I still feel the pain (still feel the pain)

I still feel your love

And somehow I knew

You could never, never stay

And somehow I knew

You would leave me

And in the early morning light

After a silent peaceful night

You took my heart away

Oh I wish,

I wish you could have stayed
